Materials

You can use any materials, which are convenient for you. The main thing is to choose the hook correctly. I use plastic joints as a fixing arms and legs. You can also use plastic joins or cotter pin fastening. In addition, you can just sew the details or use the other kind of fastening (thread fastening, button fastening).

- ✓ Plush yarn for unicorn (primary color). I used Himalaya Dolphin Baby (100g/120m = 131yd/3.5oz)
- ✓ Plush yarn for hooves (secondary color)

- ✓ Thinner yarn for horn. I used Kartopu Elegance (100g/180m = 131yd/6.3oz)
