Hello, my name is Valentina Vashchenko (Zefirka.Vlg). Together we will crochet a teddy bear in pajamas and a removable cap. Using this pattern, you can also crochet a teddy bear without clothes. I will show you several useful life hacks, and also explain in detail how to crochet the left and right legs, why they need to be highlighted when crocheting a toy in clothes. Difficulty level – advanced beginner. This pattern contains many photos and videos links.

I wish you a great mood and smooth loops!

The pattern is COPYRIGHTED!
Only for personal use only!

The toy, when using the same materials, comes out to approx. 30-32 cm. But the size may depend on your gauge!

What is needed to crochet a toy:

https://vk.com/video/@zefirkavlg?z=video-178489914_456239134%2Fclub178489914%2Fpl_-178489914_-2

Abbreviations:

1. MR – magic ring;
2. SC – single crochet;
3. SL ST – slip stitch;
4. INC – increase (2 sc in one stitch);
5. DEC – decrease (2 sc together);
6. CH – chain;
7. DC – double crochet;
8. HDC – half double crochet;
9. HDC2TOG – crochet 2 hdc together
10. * - number of repetitions in the round;
11. (N) – number of stitches in the round.

Note!

The toy is crocheted in a spiral; at the end of each round, place a marker - a thread of a contrasting color.

What is a stitch marker?

https://vk.com/video/@zefirkavlg?z=video-178489914_456239133%2Fclub178489914%2Fpl_-178489914_-2

You do NOT need to make a turning chain at the end of the round, otherwise you will end up with an unsightly seam! If you are just starting to crochet, count how many stitches you get in each round. Be careful and patient, and you will definitely succeed!

A lighter is needed to further strengthen the fittings. I'll tell you about this during the process.

Videos and difficult moments can be found in the VK.com group or write to me, I will be happy to help you.

So, let's start! First, crochet the details for a Teddy Bear without clothes, then in the pattern below there will be a description for a Teddy Bear in pajamas. The head, ears, snout and head design are the same! The body is also crocheted in the same way, but in different colors. The difference is in the description of the legs!

First, there is the description of the head and its details (ears, snout) for two types of bears, then the legs for a one-color bear (hind legs and forelegs), then the legs for a bear in pajamas. Then follow the description of the body and assembly.

Don't get confused in navigation)))

Head:

Tip: if you don't know what "MR" is and how to crochet an amigurumi ring, then just make two chains and the required number of stitches in the second chain... Link to video:

1. 6 sc in a MR
2. 6 inc (12)
3. (1 sc, inc)*6 (18)
4. (2 sc, inc)*6 (24)
5. (3 sc, inc)*6 (30)

6. (4 sc, inc)*6 (36)
7. 36 sc
8. (5 sc, inc)*6 (42)
- 9-11. 42 sc
12. 7 sc, (1 sc, inc)*3, 15 sc, (1 sc, inc)*3, 8 sc (48)
- 13-16. 48
17. 7 sc, (1 sc, dec)*3, 15 sc, (1 sc, dec)*3, 8 sc (42)
18. (5 sc, dec)*6 (36)

Insert safety eyes between rounds 12 and 13. The distance between the eyes (from the EDGE of the eye, not from the leg) - 6 sc in the middle. From the third increase in round 12 (right cheek) - 3 sc, and 3 sc to the first increase (left cheek). Link to video on how to insert safety eyes:

https://vk.com/video/@zefirkavlg?z=video-178489914_456239137%2Fclub178489914%2Fpl_-178489914_-2

After securing the plug, burn the legs of the eyes with a lighter and melt them. Then press with the back of the lighter, thereby flattening the melted tip. This way you will further strengthen the eyes and they will never fly out of the toy, watch the video:

<https://youtu.be/l9H1VR8i1XM>

19. (4 sc, dec)*6 (30) stuff the head
20. (3 sc, dec)*6 (24)
21. (2 sc, dec)*6 (18) + 2 sc + 1 sl st to align.

Cut the yarn and hide the ends. For sewing on, cut a long thread from the main yarn. Fold in half and sew on the head, BUT after we have completely decorated it! Stuff the cheeks well by pushing fiberfill with your fingers from the center of the head to the edges, distributing it over the decreases and increases.

Ears, make 2:

1. 6 sc in a MR
2. 6 inc (12)
- 3-4. 12 sc

Fold in half and crochet 6 sc through both sides. Leave a long end for sewing pieces. Sew the ears between rounds 4 and 11.

Snout:

1. 6 sc in a MR
2. 6 inc (12)
3. (1 sc, inc)*6 (18)
4. 18 sc + 2 extra sc + 1 sl st. Leave a long end for sewing pieces.

Attach the yarn YarnArt Jeans to the safety nose in advance, then insert it between round 3 and 4, do not forget to pull the short yarn end to the wrong side of the snout, i.e. hide it inside. Secure with the plug, use a lighter to burn the tip and pinch to flatten. Sew the snout between rounds 12 and 19. The link to the video is below.

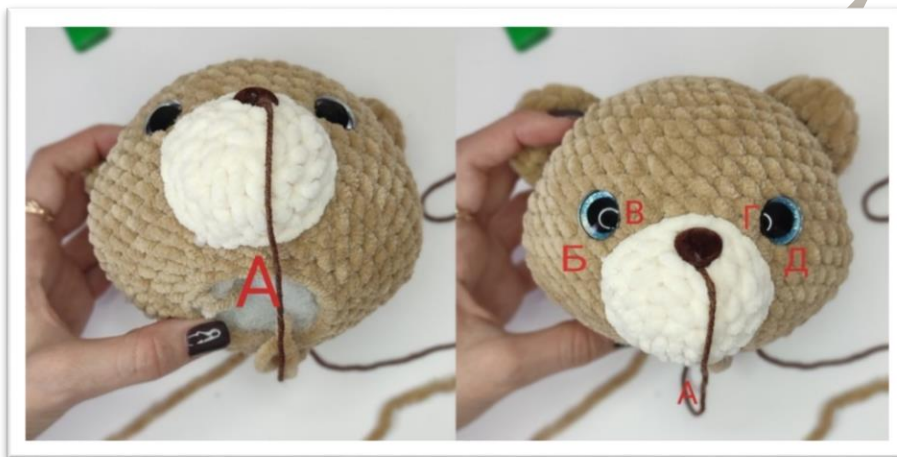

Well, how is it working out?)

Then let's move on to the design!

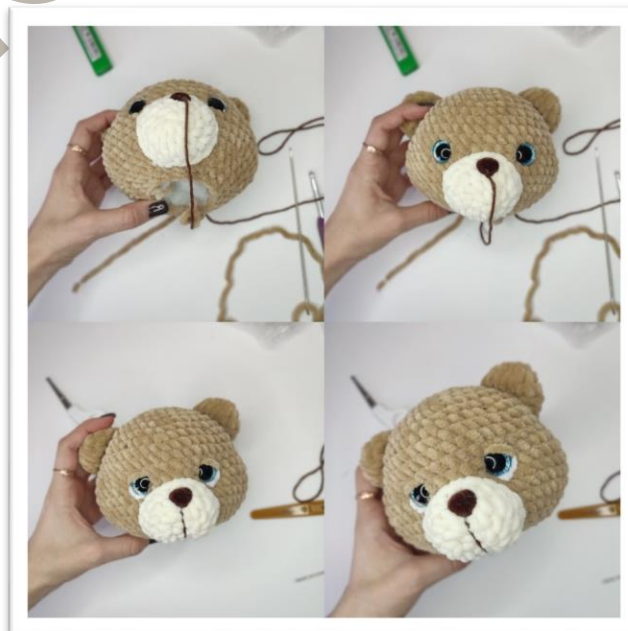

Design:

After we have sewn all pieces, make a needle sculpting. Insert the needle into the opening on the head, at point “A”, then exit through point “B”, then insert at point “C” and exit through point “D”, then into “D” and again pull the needle out into the hole of the head - “A”. Gently tighten the snout, tie the thread into a knot and secure it to the back loop. Repeat the tightening 2 more times. Don't forget to watch the video!
<https://youtu.be/LTva4bW1aog>

Then you can shape the snout, use a brown thread to form the muzzle, tighten it and tie the ends behind the back loop of the round, then use the same thread to embroider eyebrows. Fix again and hide the ends inside the head.

Eyes. Take the main yarn, embroider the upper eyelid, then embroider the whites of the eyes with a white thread.

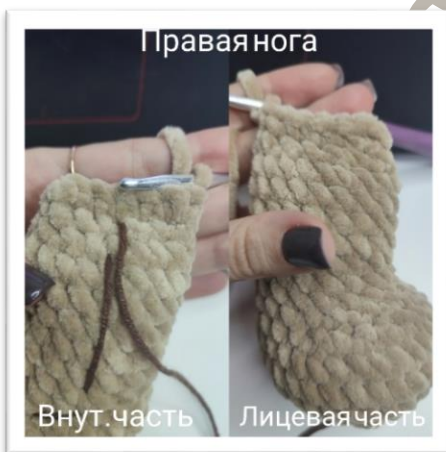

Crochet the body! First you need to crochet the legs, because... they are joined into the body. Crochet for a teddy bear without clothes.

Hind Legs.

Right:

1. 6 sc in a MR
2. 6 inc (12)
3. (1 sc, inc)*6 (18)
4. (2 sc, inc)*6 (24)
5. (3 sc, inc)*6 (30)
- 6-7. 30 sc
8. (1 sc, dec)*6, 12 sc (24)
9. 6 dec, 10 sc, move the marker of the round beginning here (18) We just move the marker, don't count stitches again.
- 10-16. 18 sc
17. (1 sc, dec)*6 (12), if necessary crochet 2-4 extra sc, fold in half and crochet 6 sc through both sides. Stuff the leg tightly to the middle. Stuff the very top firmly.

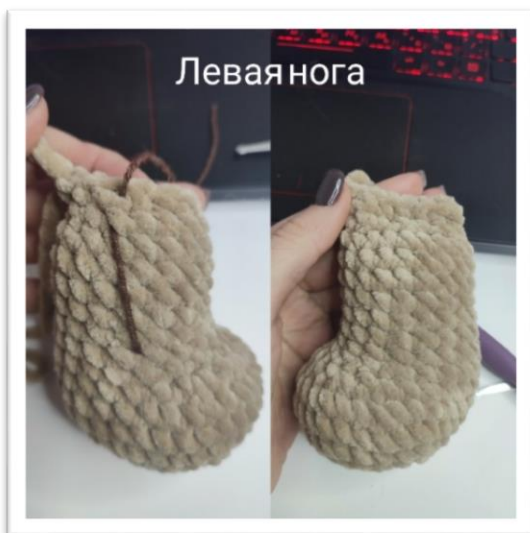

Don't stuff stony! Distribute fiberfill to the sides from the center, gently stuffing the leg.

Do you like this pattern?
Then I'm waiting for your tags!)))

7. 6 inc (12)
8. (1 sc, inc)*6 (18)

10. (3 sc, inc)*6 (30)
- 6-7. 30 sc
8. 12 sc, 1 sc, dec)*6(24)
9. 12 sc, 6 dec (18) Do not compare the legs with each other by counting the stitches. Crochet as written in the description.
- 10-16. 18 sc
17. (1 sc, dec)*6 (12), if necessary, crochet 2-4 extra sc, fold the leg in half and crochet 6 sc through both sides. Stuff the leg tightly to the middle. Stuff firmly at the very top.

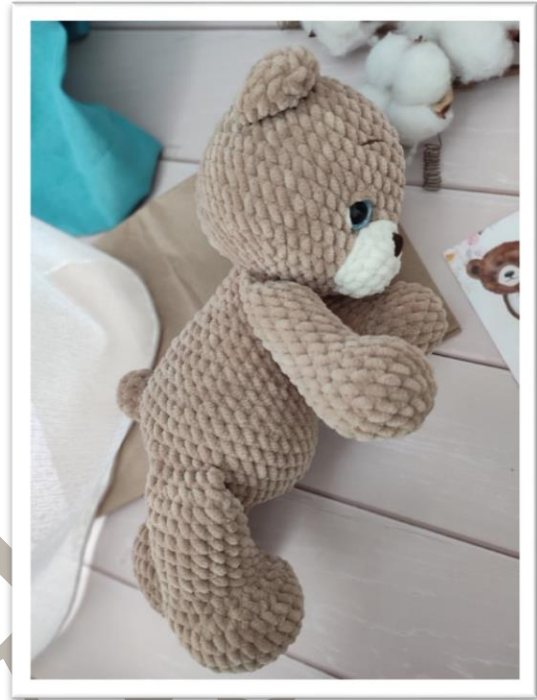

Each hind leg will close from a different direction. One leg has a closure at the toe, the other leg has a closure at the heel. The wrong side of the closure should be on the inside, closer to the body when joining.

Forelegs.

- 9-15. 12 sc
16. (2 sc, dec)*3 (9), crochet 2-3 extra sc if necessary, fold in half and crochet 4 sc through both sides.

Move the marker so that there is a neat stitches at the end of the legs when we fold them in half and then join into the body.

Tail:

1. 6 sc in a MR
2. 6 inc (12)
3. 12 sc
4. (2 sc, dec)*3 (9) + 1 sl st. Leave the end for sewing pieces.

Sew the tail just above the hind legs, secure the thread to the back loop in the opening on the body, and hide it. Then sew on the head with double thread and your little bear is ready.

!!!!Crochet a Teddy Bear in pajamas! Watch the color change carefully, it always starts from the last stitch of the round. I.e. don't finish the last stitch and change color to a new color when there are two loops on the hook!!!!

The hind legs also close on different sides. One leg closes at the front, the other at the back. The wrong side of the closure is on the inside.

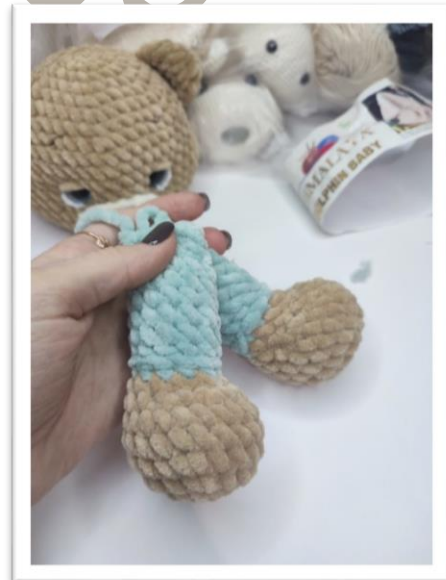

Tip: take a smaller hook size for edging. I have 3.25 mm hook, I don't crochet tightly. Then I tuck the ends inside the leg with the thinnest hook - 2.25 mm. You need to hide the ends before closing the leg.

Forelegs.

Right, start with the main yarn:

1. 6 sc in a MR

Stuff the legs well up to round 10, and quite a bit until round 15. Do not stuff the top.

We prepared all the pieces except the body and, of course, the cap. If you crochet a Teddy Bear without clothes, then continue with the same color, if you crocheted a Teddy Bear in pajamas, then continue crocheting with the color for the pajamas))) Don't get confused!

Crochet the body and join the legs in the process. Then sew on the tail, and then sew the head to the body. The cap can be crocheted later. It will be more convenient to measure it.
